

# **2021 Summer Provincial Championships - Virtual**

**DATES** June 28 - July 18, 2021  
**SWIM BC CONTACT** Carrie Matheson

### **FORMAT**

1. Clubs and coaches are responsible for running their events safely within an identified window, setting up sessions in the format that best suits each club's individual circumstances, workout timeframes and pool and staff availability.
2. Priority must always be given to adherence to safety guidelines as determined by Public Health Orders and facility.
3. Times submitted can be either sanctioned or unsanctioned. This will depend on Public Health Orders, access to facilities and comfort of clubs to manage. The process to gain these times will be coach managed and driven, within the timeframe of a workout or time trial.
4. Clubs may choose to run a select number of events, or multiple sessions, according to their needs.
5. Clubs may decide whether they run events as single or mixed genders, according to their needs.
6. There are no club and/or individual entry fees for this event.

With the changing sport environment due to COVID-19, this Championship program may need to be adapted and/or changed. All changes will be communicated to club as soon as possible.

### **ELIGIBILITY**

1. All swimmers **MUST** be fully registered as a competitive swimmer with a club (pre-competitive swimmers are not eligible). Registration will be validated against the SNC RTR system.
2. Athletes must have attained at least ONE 2020-2021 Provincial qualifying times.
3. Swimmer age is as of June 28, 2021.
4. Age groups for individual events will be: 11-12, 13-14, 15-17, 18 & O.
5. There will be a maximum NINE (9) events allowed per swimmer.

### **NON-QUALIFIED SWIMS**

1. Entries not meeting the qualifying standards will not be accepted.

### **PARA-SWIMMING**

1. Para-swimmer's complete classifications \*(S, SB, SM) must be included with athlete surname in their entries.
2. Para-swimmers must have a Level 2, 3 or International sport classification by the entry deadline.
3. By the entry deadline, swimmers must have attained at least ONE Para-swimming Provincial qualifying time.
4. All Entries must meet the qualifying standard. There are NO non-qualified swims.
5. Para-swimmer events will be single-gender and multi-class. Winners will be determined by using the respective male and female SNC Performance Points Charts.
6. There will be SEVEN "para-specific events": 50 Free, 100 Free, 200/400 Free, 50/100 Back, 50/100 Breast, 50/100 Fly and 150/200IM, with distances for each class corresponding to the distances outlined in the time standards.
  - a. Strokes/events where distances are split by class (e.g. 50/100 Back) will be scored against each other for one set of finalists from each of those pairs of events.

### **RELAYS**

1. There will be no relay events in the Summer Provincials - virtual.

### **PROCESS FOR SUBMITTING ENTRIES FOR PSYCH SHEETS**

1. Clubs download the Meet Event file from the Swimming Canada website (Live & Upcoming Meets page) and import the file into their Club Meet Entry program as appropriate (e.g. Team Manager, Team Unify or Pool Queue).
2. **"Custom time" entries will be accepted for the Psych Sheet reports**; swimmers must have attained the Provincial Standard. A custom time is any time done this season in any unsanctioned time trial or during practice. *(See Appendix I - Custom Time Features for Hy-Tek, Team Unify and/or Pool Queue)*
3. Entries must be uploaded to Swimming Canada meet listing website by the **Entry Deadline - June 20, 2021**.
4. Please include the proper contact name, phone number, and email address when uploading entries.

5. Coaches will be emailed a PDF copy of their file; they will have until **June 21<sup>st</sup> at 10:00am** to review their file and send any corrections to Carrie Matheson. After June 21<sup>st</sup>, no changes/updates will be accepted.
6. **Psych Sheets will be published on the Swim BC website.**

#### PROCESS FOR SUBMITTING RESULTS

1. Clubs hold their racing either non-sanctioned or sanctioned depending on Public Health Orders and club access to facilities. Honesty will be the best policy when submitting times - the best outcome is to ensure swims are completed in a 'race' or 'race rehearsal' environment.
  - a. Where possible, we are asking clubs to swim the events in the normal event order to better replicate the championship atmosphere.
  - b. We recognize not everyone has access to an idea racing environment. If alternate starts are used, coaches can manually correct the time using the following equations:
    - i. Blocks start: no time correction
    - ii. No blocks / start from deck: 0.5 sec correction (time - 0.5 sec = submitted time)
    - iii. Push start: 1.5 sec correction (time - 1.5 sec = submitted time)
    - iv. Backstroke start without blocks: 0.5 sec correction (time - 0.5 sec = submitted time)
2. Any Provincial Standards achieved during the Competition Window are allowed to be included in the club's results submission (even if those swims were not part of the club's Psych Sheet submission).
3. Using the same file as used to submit times for the Psych Sheets, Clubs then use those results as 'entries' for the competition by putting the times swum into the 'Custom Time' or "Handwritten" column if using Entries/Entries by Name, or the 'Custom' column if using Entries/Entry by Event. *(See Appendix I - Custom Time Features for Hy-Tek, Team Unify and/or Pool Queue)*
4. That file must be uploaded to Swimming Canada meet listing website by **Deadline - July 18, 2021.**
5. Coaches will be emailed a PDF copy of their file; they will have until **July 20<sup>th</sup> at 10:00am** to review their file and send corrections to Carrie Matheson. After July 20<sup>th</sup>, no changes/updates will be accepted.
6. **Results will be posted on the Swim BC website.**
