PROVINCIAL COMPARISON

In February and March each region hosts a championship swim meet. The following tables compare the first, second, third, and eighth place swim from each of these regional meets based on the Swim BC Provincial Championship age groups. Please note that the not all the competitions had the same age groups, nor did these meets have only competitors from within that region. (For example, Ontario's age groups are Women 13 & U, Men 14 & U. Additionally, the Québec Cup had swimmers from Ontario, etc...)

The meets included in this comparison are the BC Provincial Championships, Alberta Provincial Championships, Man / Sask Championships, Ontario Provincial Championships, Québec Cup, and the East Coast Championships.
