Welcome

Swim BC welcomes all member clubs to the 2026–2027 season.

About Swim BC

Swim BC is the governing body for competitive swimming in British Columbia and a proud viaSport Accredited Organization. Our community includes swimmers, coaches, officials, and many volunteers who support governance, competitions, and club operations. Such as club boards, registrars, COAs, and meet managers. Without the dedication of our volunteers and members, swimming in BC would not thrive.

Our work is guided by a clear vision, mission, and set of values that shape everything we do.

Vision: A thriving swimming community inspired to achieve our individual and collective best.

Mission: Supporting competitive swimming through leadership, connection, and governance.

Values: Community, Integrity, Innovation, Stewardship.

Why Registration Matters

Registration ensures swimmers, coaches, and officials are eligible to participate, provides access to programs and resources, ensures proper insurance coverage, and supports a safe, accountable sport environment.

In addition, accurate registration allows Swim BC to track and report participation data to viaSport, government agencies, Swimming Canada, and other sport bodies. This strengthens our ability to secure funding, grow programs, and ultimately support clubs.
