

The Terrace Blueback competitive swim club located in Northwest BC is seeking a head coach. The head coach is the heart of the TBSC, setting the tone for athletes, volunteers and club supporters and establishing the pathways towards excellence in competitive swimming, and sportsmanship for our athletes.

Duties will include representing the club to stakeholders, overseeing coaching staff, creating seasonal training plans, goal setting and overseeing performance improvement planning for the competitive and pre-competitive programs; fostering athletic, emotional and social growth of our swimmers; and designing strategies which prepare the team for competition.

The Head Coach will have excellent communications skills, allowing for effective collaboration with the board of directors, coaching staff, supporters and athlete families.

Our club currently has 125 swimmers including our masters program. Our season runs September through to July. The TBSC has a fulsome assistant coaching staff for athletic development, as well as administrative support staff.

A progressive entry into the club alongside the current head coach is a possibility to transition into the head coach role in the 25-26 season.

Preferred Requirements:

- minimum of 2 years' experience coaching in a competitive club
- have completed or in the process of completing NCCP level 2
- have completed safe sport training within the last five years
- Compliant with Swim BC / Swim Canada requirements
- have a love of the sport and respect for athletes of all levels
