INTRODUCTION

Swim BC is happy to be launching our tri-annual **Performance Report**. This report is more than a collection of rankings and statistics; it's a celebration of the dedication, perseverance, and spirit that embodies our swimming community in British Columbia.

We are delighted to showcase our athletes' achievements, and through this first ever Performance Report recognizes our swimmer's performance at National and Provincial levels.

This report will provide **Top Times** rankings for the Age Group and Open age categories to inform and inspire our clubs, coaches, and swimmers.

New to this issue is also our **10 & Under Pentathlon** rankings. This program recognizes the well-rounded development of young swimmers with the add-up of the 100 Free, 100 Back, 100 Breast, 100 Fly, and 200 IM events.

Finally, **Making Waves** recognizes the special achievements of four of Swim BC's top ranked swimmers. We know that there are many who deserve these accolades and we look forward to highlighting additional swimmers in future editions.

If you have feedback or suggestions for future reports, we would love to hear from you. The next report will be published in April for performances done September 2023 through March 2024 and our final edition of the season will be published in September for performances between September 2023 and August 2024.

As we reflect on these accomplishments, let's also look forward with optimism and determination. The paths we tread in swimming are not just about faster times and higher rankings; they are about building character, fostering community, and pursuing excellence in every aspect of our lives.

Together, we are not just swimming; we are making waves that ripple beyond the pools and into the broader spheres of our lives. Let's continue to support, celebrate, and elevate each other in this incredible journey.

SHORT COURSE RANKINGS

The Top Times list the top 10 ranked swims from across the country, plus the top 25 ranked swim from Swim BC, with their corresponding Canadian and Swim BC records for each of the following age groups 11 – 12, 13 – 14, 15 – 17, and Open. (Open represents the top ranked swims, regardless of age.)

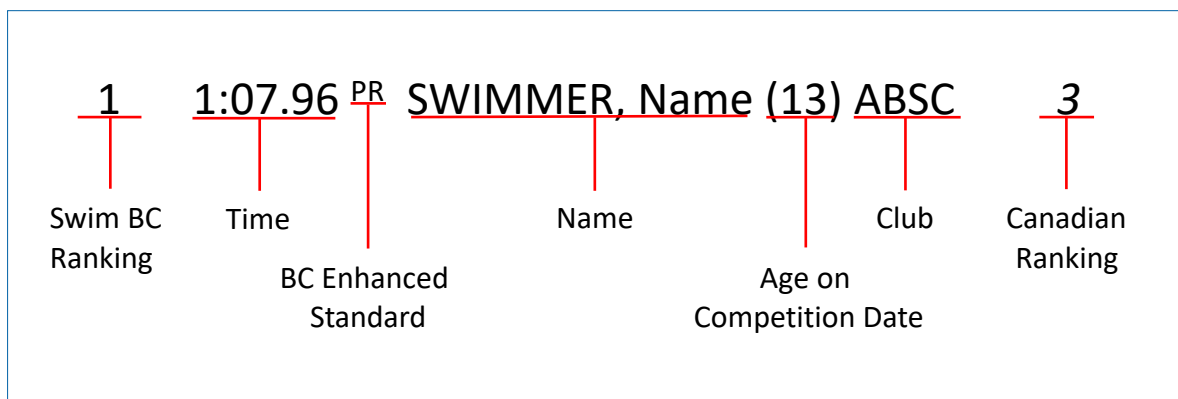

In this, the first publication of Top Times, we have not included Para specific events. We look forward to adding Para in future editions of the Performance Report.

The rankings highlight our athletes' achievements at both provincial and national levels and offer insight into the performance of Swim BC athletes in the wider Canadian swimming context.

The rankings are intended to inform and inspire, driving us to strive for continual improvement and stronger performances, reinforcing Swim BC's commitment to excellence in swimming.
