# INTRODUCTION

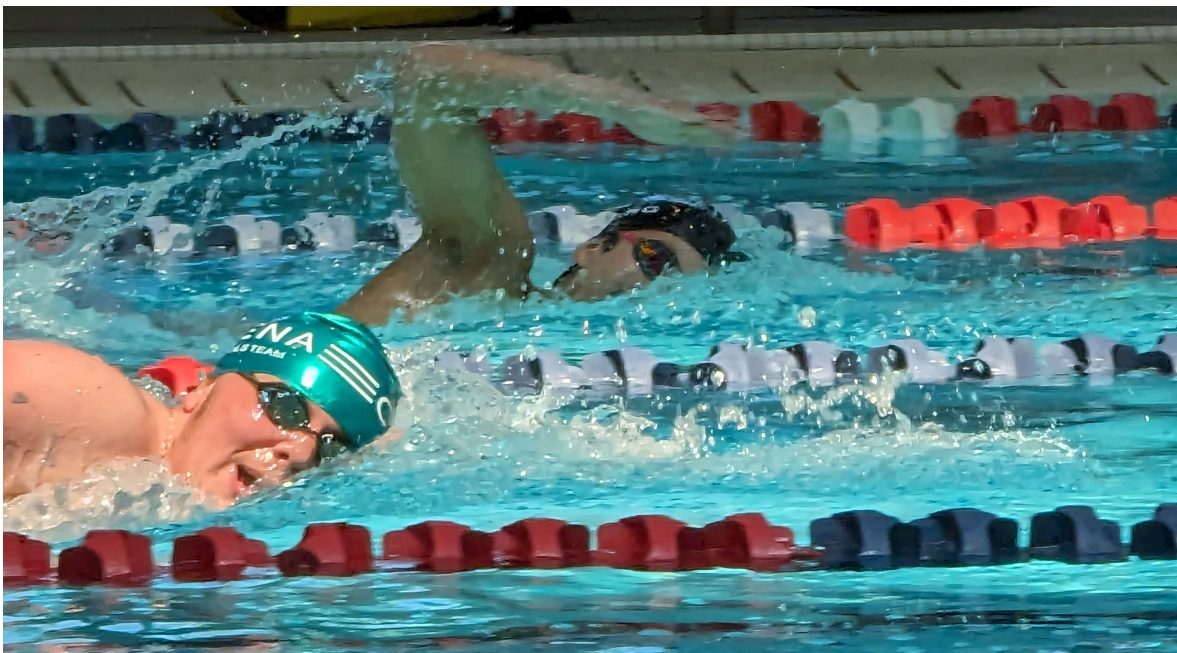

This, the second edition of the Swim BC Performance Report, provides us with a snapshot of our performances from September 1, 2023 through March 31, 2024 for both Short Course and Long Course events. We have scored the top 25 teams for each of the Short Course and Long Course.

We have continued with the **10 & Under Pentathlon** rankings. This program recognizes the well-rounded development of young swimmers with the add-up of the 100 Free, 100 Back, 100 Breast, 100 Fly, and 200 IM events. This edition has been much more competitive, with more 10 & Under swimmers rounding out their events.

Finally, **Making Waves** recognizes the special achievements of four of Swim BC's top ranked swimmers. We know that there are many who deserve these accolades and we look forward to highlighting additional swimmers in future editions.

We will be producing one final Performance Report this season for performances achieved from September 1, 2023 through August 31, 2024. Good luck to all clubs, swimmers, and their coaches as we continue our journey.

## TOP TIMES RANKINGS

The Top Times list the top 10 ranked swims from across the country, plus the top 25 ranked swim from Swim BC, with their corresponding Canadian and Swim BC records for each of the following age groups 11 – 12, 13 – 14, 15 – 17, and Open. (Open represents the top ranked swims, regardless of age.)

The rankings highlight our athletes' achievements at both provincial and national levels and offer insight into the performance of Swim BC athletes in the wider Canadian swimming context.

The rankings are intended to inform and inspire, driving us to strive for continual improvement and stronger performances, reinforcing Swim BC's commitment to excellence in swimming.
