- Post-secondary education (preferred)
- Excellent organizational and time management skills
- Demonstrated knowledge of the sport and excellent instructional ability as well as a desire for learning
- Dependable, assertive, friendly, cooperative, flexible, tactful, and logical
- Ability to work well with a team
- Ability to maintain physical and mental exertion over sustained periods of time to complete job activities
- Current criminal record check

#### Duties:

- Work under the direction of the head coach
- Support the delivery of the dryland program offered to the Senior development program
- Attend all scheduled workouts, swim meets, and meetings – 100% attendance is expected
- Demonstrate effective coaching through knowledge, workout implementation, and interactions with athletes and parents
- Other duties as requested by the head coach
- Provide coverage for other coaches at any of the pools as necessary
- The on-deck coaching hours will include morning, evening and weekends as well as coaching alongside the head coach

Additional Information:

- Start date – September 1, 2025
- Competitive salary based on experience and qualifications
- Application deadline: July 7, 2025
