

Safe Sport Deck Rules

Every coach, official, volunteer, and parent on deck is responsible for following these rules, every practice, every meet.

RULE OF TWO

ALWAYS

Stay in open, observable spaces at all times. Never be alone with a minor athlete unless you are that athlete's own parent or guardian.

DECK CHANGES

PROHIBITED

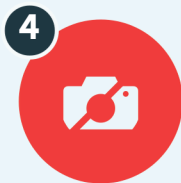

Changing on the pool deck is strictly prohibited. Swimmers must use the designated changing areas, every time, no exceptions.

RESTROOM ACCESS

RESPECT

Adult-only and athlete-only restroom and washroom assignments exist for a reason. Always use the facility designated for your role.

PHOTOGRAPHY

PROHIBITED

No photos or video behind the starting blocks or inside locker rooms and change areas, at any time, by anyone.

REPORT IT

IMMEDIATELY

See something concerning? Don't wait, don't investigate it yourself. Report it right away using the QR code below.
