SWIM BC · POOL DECK STANDARDS

Safe Sport Deck Rules

Every coach, official, volunteer, and parent on deck is responsible for following these rules, every practice, every meet.

1 RULE OF TWO — ALWAYS

Stay in open, observable spaces at all times. Never be alone with a minor athlete unless you are that athlete's own parent or guardian.

2 DECK CHANGES — PROHIBITED

Changing on the pool deck is strictly prohibited. Swimmers must use the designated changing areas, every time, no exceptions.

3 RESTROOM ACCESS — RESPECT

Adult-only and athlete-only restroom and washroom assignments exist for a reason. Always use the facility designated for your role.

4 PHOTOGRAPHY — PROHIBITED

No photos or video behind the starting blocks or inside locker rooms and change areas, at any time, by anyone.

5 REPORT IT — IMMEDIATELY

See something concerning? Don't wait, don't investigate it yourself. Report it right away using the QR code below.
